

Woof Walks

Terms and conditions for walk participants

In order for all four-legged friends and their owners to have a safe and enjoyable *Woof Walk* we ask that you follow the below guidelines:

- Book online prior to attendance on the walk
- All participants abide by our Code of Conduct for All Dog Walkers in MK Parks
- To keep your dog on their lead at all times during the led walk
- To always carry enough dog poo bags and clear up after your dog
- To be responsible for dog behaviour and respect other dogs, particularly if other dogs are observing the traffic light system or are showing signs of distress
- It is advised not to bring very young dog on a social walk, ideally all dogs will be over 6 months of age. Equally very elderly dogs may find the distance difficult (please talk to the rangers before the walk about distances if you are concerned.)
- For safety reasons, we only allow a maximum of 2 dogs per walker
- Flexi leads to be kept short at all times during the walk
